Power Meter GXP 3 Bolt - MTB 104bcd Boost 4 Bolt

Product code: B002_MAN
Availability: 2 - 3 Days

Price: R6,600.00

Description

The same GXP 3-bolt spider power meter, set for a Boost chainline so the ring sits further out. Use it on Boost frames with a 104 BCD four-bolt ring. Do not swap it for the non-Boost spider — the chainline will be wrong. Charge and pair it the way the unit in the box says.

Specification

- Type: Spider power meter
- Crank interface: SRAM GXP 3-bolt
- Chainring: 104 BCD, 4-bolt
- Chainline: Boost
- Use: Mountain
- Shop code: B002_MAN
